EQuIS® Enterprise

Viewer Licensing Agreement Product

EQUIS ENTERPRISE THIRD PARTY ACCESS

EQuIS licensees may grant and manage Enterprise viewing and reporting rights to third parties (non-EQuIS licensees) with the following Viewer Licensing Agreement (VLA) products.

PAY PER USER

The Pay Per User (PPU) VLA accommodates individual users with unique login credentials and viewing and reporting permissions.

PROJECT

The Project VLA accommodates an unlimited quantity of third-party users. The EQuIS licensee defines access to facilities and reports through a project defined URL to public-facing EQuIS Enterprise dashboards.

REQUIREMENTS & FEES

- Term licensing—subscription fee only.
- Licensee designated third party user Active Client Access License (ACAL).
- All fees are prepaid in accordance with client's Software Maintenance Agreement (SMA) renewal or EQuIS Online (EOL) payment plan.
- EarthSoft Support Services provided to licensee and not to the third party user.
- Annual reporting of PPU VLA users required prior to SMA or EOL contract renewal.
- Viewer License Agreement products are available to EQuIS licensees in good standing.
- Requires executed EQuIS End User License Agreement (EULA) Mutual NDA is contained within the EULA.
- Requires executed Viewer License Agreement.
